UCLA VERSUS...

THE EASTERN INDEPENDENTS

UCLA again meets Pittsburgh in their traditional East vs. West rivalry, with the Bruins holding a 7-4 series lead going into their Sept. 19 renewal in Pitt Stadium. The Panthers are UCLA's longest intersectional opponent. The Bruins have now won five straight over Pitt but only hold a 13-12 all-time edge over the only three Eastern foes, all independent, they've ever met:

Team	W	L	T
Penn State	4	2	0
Pittsburgh	7	4	0
Syracuse	2	6	0
UCLA Totals	13	12	0

THE BIG TEN CONFERENCE

UCLA opens its 1970 home season by hosting Northwestern Sept. 26 in the Los Angeles Coliseum — and, of course, the Bruins would like to climax their football year by meeting a Big Ten team in the 1971 Rose Bowl. After three previous losses to NW, UCLA finally beat the Wildcats in football last year and hope to make it two in a row this fall. Overall, the Bruins have defeated Big Ten teams 13 times, lost 16 times and tied them twice:

Team	W	L	T
Illinois	2	5	0
Indiana	Never Met		
Iowa	4	0	0
Michigan	0	2	0
Michigan State	1	3	0
Minnesota	0	1	0
Northwestern	1	3	0
Ohio State	1	1	0
Purdue	1	0	2
Wisconsin	3	1	0
UCLA Totals	13	16	2

THE SOUTHWEST CONFERENCE

After a three-year lapse, UCLA resumes intersectional play with the Southwest Conference, meeting Texas in football for the first time at Austin Oct. 3. The Bruins last met a SWC team in 1966, winning 27-24 over Rice in Houston. UCLA needs a victory over the Longhorns, the country's No. 1 ranked team in 1969, to even its all-time record against SWC foes at 7-7:

Team	W	L	T
Arkansas	Never Met		
Baylor	Never Met		
Rice	2	0	0
SMU	0	4	0
Texas	1st Meeting		
Texas A. & M.	1	2	0
TCU	3	1	0
Texas Tech	Never Met		
UCLA Totals	6	7	0

THE COVER

This colorful action shot shows three of UCLA's foremost football players on the move. Dave Dalby (50) has centered the ball to quarterback Dennis Dummit (19) who will fake to the first runner before handing off to Mickey Cureton (30). Dalby, Dummit and Cureton, 1970 Bruins worthy of "All" consideration.

BRUINS AGAIN FACE ALL PAC-8 RIVALS IN 1970

For the second season in a row, UCLA is playing all seven Pacific-8 Conference members this fall. Last year marked the first time since 1958, the final season of Pacific Coast Conference play, that the Bruins met all their conference opponents in a single campaign.

UCLA holds an all-time won-lost-tied record over each conference rival except USC. The Bruins enter the 1970 season with a 15-7-4 record over Oregon State, 15-6-0 over Washington State, 22-17-1 over California, 21-17-2 over Stanford, 17-15-1 over Washington, 18-11-0 over Oregon, and trail 12-22-5 against USC.

And so the Bruins' all-time record against their seven Pacific-8 rivals is 120-95-13 for a .552 winning percentage going into 1970.

Here are UCLA's game-by-game results with its conference rivals in the order they are played this season, with the Bruin score listed first:

THE 1970 BRUINS

RETURNING VETERANS — 22 returning lettermen from a team that was 8-1-1 in 1969 and one of the best in the nation. Returnees include: Offense — two ends, one tackle, two guards, one center, two quarterbacks, one left halfback, one right half and one fullback. Defense—one end, two tackles, two linebackers, two cornermen and four safetymen. Of the returnees, the following started games: Offense—Mickey Cureton, lh, 10; Dave Dalby, c, 10; Dennis Dummit, qb, 10. Defense —Ron Carver, ls, 10; Danny Graham, ls, 10; Doug Huff, rs, 10; Tim Oesterling, lt, 1. There have been few position changes which the general public will even be aware of. The Bruins start out with a rebuilt offensive line built around 6-3, 215-pound Center Dave Dalby, who shows signs of greatness. There will be more size evident, but probably less mobility. In the backfield, UCLA has a sure-armed "trigger man" in Quarterback Dennis Dummit, who set seven records last year, mainly through the air, to establish himself as a solid All-America prospect for 1970. His record showed 114 completions in 208 attempts for 1963 yards and 15 touchdowns. Mickey Cureton, one of the nation's most exciting runners, upped his rushing average with 721 yards in 114 carries for a 6.6 average and six touchdowns. He now moves from fullback to left half and could have an even more exciting season. Defensively, all of the top returnees are in the secondary, including left Safety Ron Carver, who last season turned out to be the defensive equivalent of a Cureton. He was superb in punt, kickoff and pass interception returns, posting "longs" of 43, 71 and 46 in each category. Doug Huff and Danny Graham, both moved from corner to safety, could prove more effective in 1970. Oesterling, while he started only one game last Fall, could finish his career in the high style predicted for him when he entered UCLA.

LOSSES—21 lettermen, including the following: Offense two ends, three tackles, two guards, one center, two left halfbacks, one right half and a kicker. Defense—two ends, two tackles, four linebackers and one safetyman. Of the total losses, following is a list of starters: Offense—Dennis Alumbaugh, rg, 10; Gordon Bosserman, lt, 10; Gwen Cooper, le, 10; George Farmer, rh, 10; Mike Garratt, re, 10; Greg Jones, lh, 10; Lee McElroy, rt, 3; Steve Preston, rt, 7; and Ron Tretter, lg, 10. Defense—Mike Ballou, mlb, 10; Jim Ford, rlb, 10; Bob Geddes, le, 10; Wesley Grant, re, 10; Bruce Jorgensen, lt, 9; Floyd Reese, rt, 10; Dennis Spurling, rs, 10; and Don Widmer, llb, 10. The losses, realistically, are among the greatest UCLA has suffered in recent years—Jones, No. 2 ball-carrier in UCLA history; the great trio of pass-catchers in Cooper, Garratt and Farmer, who grabbed off 91 passes for 1625 yards and 13 touchdowns between them; and the entire defensive front seven quick, agile, dedicated performers led by All-Americans Ballou and Reese and Grant, who earned All-Coast honors along with Alumbaugh, Cooper and Jones. In addition, the Bruins also lost Zenon Andrusyshyn, whose three-year record of punting, converting and field-goal kicking is among the best in UCLA annals.

PROMISING SOPHOMORES—Bruce Walton, 6-5, 265-pound offensive right tackle from San Diego, has the

(Continued)

size and athletic ability to do a fine job right from the start. Allan Ellis, 5-11, 185-pound defensive left cornerman, from Los Angeles, may be a great one even sooner. Others could step in, but these two appear to be outstanding now.

OFFENSE—UCLA will continue its present wide-open T-Formation with a split end and the backs often in slot or flanker positions.

PASSING—There will be little change in the great emphasis on passing with return of Quarterback Dennis Dummit who last year attempted more passes (208), completed more (114), gained more yardage (1963) and threw more touchdown passes (15) than any Bruin in history. In addition, he set two game records and tied another. He shows a greatness under fire that places him among the select few stars in the nation. On the receiving end Rick Wilkes (11 catches in 1969), Bob Christiansen (1) and Brad Lyman (3) must come through in big style to match the '69 accomplishments of Cooper, Garratt and Farmer.

RUNNING — Again many eyes will be on exciting Mickey Cureton, who shrugged off an injury-riddled 1968 season to come through with big gainers and big total yardage last Fall. Besides his 721 yards rushing, Cureton also caught five passes for 43 yards and led the Bruins in kickoff returns with 10 for 248 yards, besides catching five punts for 40 more yards. More is expected of him following the switch from fullback to left half. Arthur Sims, a senior, has shown signs of good running and may be a big help while at fullback Senior Bob Manning may have a battle on his hands against newcomers Randy Tyler and Bob Adams.

DEFENSE—There will be little new on defense, except the names of the players. Most of the returning strength is in the secondary; and while the prospective first team looks good on paper, depth is lacking. Beside the "names" like Carver, Huff and Graham, you might expect to hear those of left End Bruce Bergey, right Tackle Mike Pavich, Linebackers Greg Snyder and Bob Pifferini and Cornerman Reynaud Moore with greater frequency.

OFFENSIVE LINE—With Center Dave Dalby, the only returning starter, standing alone in his greatness, come-through performances in the offensive line are a must. Guards Bob Bartlett and Doug Diebolt have had considerable squad experience but not much in games—and the same for left Tackle Greg Pearman. Additionally, Walton, for all his ability, has yet to play a minute of varsity football, and will be pushed by Letterman Steve Freitas.

THE OUTLOOK—Coach Prothro says, "While we expect to have a good football team, there are so many holes to fill and so many uncertainties, it is hard to predict how we'll finish until we see how many freshmen and last year's reserves make it. I always think we'll be in the top three teams in the conference, and I feel that way about this team. But this team is just inexperienced, period; so it's hard to figure."

ALL PAC-8 TEAMS KEEP NEW YEAR'S DAY OPEN

UCLA and the seven other Pacific-8 Conference football teams are keeping Friday, Jan. 1, 1971 open just in case. The reason, of course, is that one of them will earn the right during the regular season to represent the Pac-8 in the 57th renewal of the Rose Bowl game in Pasadena, Calif., on New Year's Day.

It'll be the Pac-8 champion versus the Big Ten titlist, providing it isn't Michigan which lost to USC, 10-3, in 1970 Rose Bowl game. The Big Ten has the "no repeat" rule whereby no team can play two successive years in Pasadena.

In the 24 meetings (1947-70) since the first game of the original Rose Bowl pact between these two powerful conferences, the Big Ten has dominated the rivalry with 17 victories to 7 for first the Pacific Coast Conference (1947-59) and now the Pacific-8 (since 1960). It is interesting to note, however, that Pac-8 teams split 5-5 with the Big Tenners during the Sixties (1960-69) and opened the Seventies (1970) with a victory.

The Bruins have played in six Rose Bowl games, having won only once and that was in its last appearance in the granddaddy of all post-season football games. To cap its first season under coach Tommy Prothro, UCLA defeated Michigan State, 14-12, in 1966 Rose Bowl game. Here is the Bruins' record at Pasadena:

1943—Georgia Tech 9, UCLA 0
1947—Illinois 45, UCLA 14
1954—Michigan St. 28, UCLA 20
1956—Michigan St. 17, UCLA 14
1962—Minnesota 21, UCLA 3
1966—UCLA 14, Michigan St. 12

TOMMY PROTHRO
UCLA Head Football Coach

TOMMY PROTHRO enters the 1970 season after coaching what he calls "my finest team ever" to an 8-1-1 record in 1969. One of the most successful and highly-regarded football coaches in the country, Prothro has now completed 15 campaigns as a head coach, the past five years at UCLA following 10 at Oregon State.

During those five years, his Bruins have compiled an outstanding 35-won, 13-loss and 3-tie record for a .716 winning percentage against some of the toughest competition in the country. A further look at his record reveals a Pacific-8 Conference mark of 18-7-2 and an intersectional record of 17-6-1. And now for four of his five UCLA years, Prothro's teams have been ranked in the "Top 10" of the wire service polls at season's end.

Tommy is one of only five coaches ever to have produced more than one Heisman Trophy winner. His recipients of this coveted award presented annually to the "outstanding college football player in the United States" were Terry Baker, Oregon State, in 1962 and Gary Beban, UCLA, 1967.

Prothro is also the only coach to bring different collegiate teams into the Rose Bowl in successive years, as he led Oregon State to Pasadena in 1965 and UCLA in 1966. In the latter New Year's Day classic, the Bruins scored a stunning 14-12 upset victory over top-ranked Michigan State for UCLA's first Rose Bowl triumph.

Prior to his return to Westwood, Prothro vaulted Oregon State to football prominence with a 10-year record (1955-64) of 63-37-2, the finest compiled by a West Coast coach over that decade.

Tommy's 15-year head coaching record is now 98-50-5 for a .657 winning percentage against major competition. A point to remember: His teams have either won or been runner-up in the final conference standings in eight of ten years, including three titles (1956-57-64) at Oregon State and one (1965) at UCLA and one second-place finish (1955) at OSU and three (1966-67-69) at Westwood. In the five other seasons, from 1959-63, his Beavers played an independent schedule.

He was accorded the greatest honor that can come to a coach when he was voted 1965 "Coach of the Year" by his fellow members of the American Football Coaches Association.

Before going to OSU, Tommy was backfield coach under the late Red Sanders at UCLA for six winning seasons (1949-54) during which the Bruins compiled a noteworthy 42-12-1 record, highlighted by the undefeated national championship team of 1954. Prothro developed such all-time great Bruin backs as All-

Americans Paul Cameron and Bob Davenport; and also Bill Stits, Primo Villanueva, Jim Decker, to name a few.

A native of Memphis, Tenn., born July 20, 1920, Tommy was a versatile young athlete and competed in football, baseball, basketball, and track for Central High in 1934-36. He also participated in those sports at Riverside Military Academy in Gainesville, Ga.

Prothro then became a star blocking back under Wallace Wade at Duke University and won the coveted Jacobs Award as the best blocker in the East. He also competed in baseball and lacrosse at Duke from 1938 through '42 when he graduated.

Shortly before entering the service in World War II, he was line coach at Western Kentucky in 1942. He then served as an officer in the U.S. Navy for three years, returning to coaching in 1946 with the Vanderbilt "B" squad. In 1947, he became backfield coach there under Sanders. The two journeyed together to UCLA in 1949.

At Oregon State, Prothro produced such consensus All-Americans as John Witte (1956), Ted Bates (1958), Terry Baker (1962), and Vern Burke (1963). And at UCLA he has had five All-Americans to date, Mel Farr (1966), Gary Beban and Don Manning (1967), and Mike Ballou and Floyd Reese (1969).

Tommy is the son of former major league baseball player and manager Thompson "Doc" Prothro, and the nephew of General Clifton B. Cates, former commandant of the U.S. Marine Corps. His charming wife is the former Shirley Seagle of Memphis. They have one daughter, Ann, now Mrs. Richard Wilson of Evanston, Ill.

THE STAFF

BOBB McKITTRICK
(Oregon State '58)
Senior Assistant Varsity Coach

Bobb McKittrick has now been associated with Tommy Prothro for 13 years, three (1955-57) as a player at Oregon State, four (1961-64) as an assistant coach at OSU and is in his sixth season as a top aide at UCLA. In fact, he is now coach Prothro's senior aide and, besides working with the offensive line, he handles many administrative matters for Tommy.

Bobb graduated from Oregon State in 1958 as an honor student and immediately entered active duty with the U.S. Marine Corps as a commissioned officer.

Upon completion of his three-year tour of duty, he had to make a choice between accepting an assistant professorship at his alma mater, joining Prothro's staff, or accepting a position on the Iowa State football coaching staff under Clay Stapleton who was his line coach at OSU. Happily, he joined the Beaver staff where he coached four years before moving to UCLA in 1965.

As a player, he was a guard — and a good one — on Prothro's 1955-56-57 teams. Bobb played on two PCC championship teams as a junior and senior and in the 1957 Rose Bowl game. This 34-year-old native Oregonian prepped at Baker High where he lettered two years in football.

He and his wife, Teckla, have two sons, Mike, 11, and Ladd, 9.

LARRY WEAVER
(Adams State '61)
Assistant Varsity Coach

Larry Weaver is in his second year as an UCLA assistant coach. Besides coaching the defensive backfield, he also coordinates the defensive planning for the Bruins.

He came to UCLA after two years (1967-68) as the defensive backfield mentor at University of Arizona. Prior to that he was a top aide at North Dakota State for three years (1964-65-66).

Weaver is a graduate of Adams State College in Colorado. A native of Southern California, Larry prepped at Anaheim (Calif.) High School where he lettered in football, baseball and track. He then attended Fullerton (Calif.) Junior College before transferring to Adams State.

The 36-year-old Weaver and his wife, Evelyn, are the parents of five children, three boys and two girls. The Weavers reside in Hacienda Heights in Whittier. Larry, incidentally, holds a Master of Arts degree in English and Guidance Counselling.

DICK VERMEIL
(San Jose State '58)
Assistant Varsity Coach

Dick Vermeil, who formerly coached at Stanford and for the Los Angeles Rams, is the new UCLA assistant mentor who tutors the Bruin quarterbacks and also coordinates the offense. He has taken over the duties of Jim Camp, who retired following last season to return East.

The 33-year-old Vermeil has had a varied and challenging career in coaching football at many levels, including high school, junior college, university and professional. He coached at Stanford four years (1965-66-67-68) and was in charge of the Indians' quarterbacks and offensive backfield for his last two seasons on The Farm.

He came to Los Angeles last year and was in charge of the Rams' highly-successful special units. His coaching career also has included being assistant coach at Del Mar High in San Jose, Calif., for one year (1959); head coach at Hillsdale High in San Mateo, Calif., for three years (1960-61-62); backfield coach at College of San Mateo for one year (1963); and head coach at Napa Junior College for one year (1964).

A native of Calistoga, Calif., he attended high school there. He then became the star quarterback at both Napa JC and San Jose State. He earned his Master's Degree in Physical Education at San Jose State in 1959.

Dick is married to the former Carolyn Drake of Calistoga and they have three children, Richard, 12; David, 10; and Nancy, 9. A brother, Al, is a graduate assistant coach at Kansas State.

TONY KOPAY
(Washington '62)
Assistant Varsity Coach

Tony Kopay is in his sixth season on the UCLA football staff. After two years (1965-66) as head frosh coach, and also at the same time working with offensive backs on their blocking techniques, he is now in his fourth season of full-time varsity duty. For the second year he's coaching the offensive line after two seasons of working with the defensive backfield.

Tony came to UCLA following two successful years as head coach at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there in 1964.

He prepped at Notre Dame High in Sherman Oaks Calif. He then attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958-59). He then transferred to University

of Washington and played halfback and fullback in 1960 and '61.

Following graduation, Tony was a student assistant coach at Washington, serving as backfield coach for the frosh. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the older brother of Washington Redskins' halfback Dave Kopay in the National Football League.

The 30-year-old Tony is married to the former Maryon Vusich. They have a daughter, Kristine Marie, age 1.

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

Jerry Long, who is as capable a coach as he is an enthusiastic one, is in his 10th year as an assistant under Tommy Prothro, four (1961-64) at Oregon State and now six at UCLA. In all, this is his 21st year of coaching football. He coaches the Bruins' defensive line.

Prior to returning to Oregon State, his alma mater, as a line coach in 1961, Long served as the top aide and line coach at Willamette University in Salem, Ore., for six years (1955-60). Following graduation from OSU in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in '52 and '53 and Tigard in '54.

After a three-year stint in the Navy, Jerry entered Oregon State in 1946 and lettered three years as a guard. The 40-year-old Jerry prepped at Franklin High in Portland, Ore., where he starred in football and baseball, winning All-City grid honors.

This native Oregonian is married to the former Dorothy Jean Larson and they have three children, Karen, 14, and twins Randall and Diane, 12.

EARNEL DURDEN
(Oregon State '59)
Assistant Varsity Coach

A former All-American halfback at Oregon State under Tommy Prothro, Earnel Durden is in his second year on the UCLA staff. He coaches the Bruins' running backs and also the pass receivers' blocking techniques.

Durden came to Westwood from Cal State of Long Beach, Calif., where he was a top aide for one year (1968). Prior to that he first coached at Compton (Calif.) High for five years (1961-65) and then at Compton Junior College for two years (1966-67). He has actually coached and taught on the junior high school, high school, JC and college levels. He holds a Master's degree in Physical Education.

(Continued)

Earnel was an All-City halfback at Los Angeles' Manual Arts High where he starred on the 1954 city championship team. He scored 24 touchdowns by rushing one season, a record which still stands at Manual Arts.

He then went to Oregon State where he starred at wingback for three years (1956-57-58). He won both All-America acclaim and played on the 1957 Rose Bowl game. He was a standout performer on OSU's back-to-back Pacific Coast Conference title teams (1956 and '57). He still holds the Beavers' season record for the highest rushing average per play, 7.2 yards in 1956.

Durden, 32, is wed to the former June Pecot and they have three sons, Michael, 10; Kevin, 7, and Allan, 6.

RICH BROOKS
(Oregon State '62)
Assistant Varsity Coach

A former Oregon State player under Tommy Prothro, Rich Brooks, rejoins his Beaver coach as a member of the UCLA staff this year. He coaches the Bruins' defensive linebackers.

The 28-year-old Brooks, a native of Forest, Calif., prepped at Nevada Union High in Grass Valley, Calif. He then went to Oregon State where he played defensive halfback and was the quarterback understudy to Heisman Award winner Terry Baker. He lettered under coach Prothro in 1960-61-62 and was a member of the 1962 Liberty Bowl championship squad.

Following graduation, he served Prothro as a graduate assistant while earning his Masters Degree in Education. In 1964, he was an assistant coach at Norte Del Rio High in Sacramento, Calif.

In 1965, he returned to Oregon State to coach under Dee Andros. For two years he coached the defensive ends and linebackers and the last three has tutored the Beaver defensive line.

Brooks is married to the former Karen Kisky, of Lake Oswego, Ore., and they have two daughters, Kasey, 6, and Kerri, 4 and a future football player, Brady, born last May.

FRED VON APPEN
(Linfield College '64)
Assistant Varsity Coach

One of UCLA's four new assistants this year is Fred Von Appen, who was born and raised in Oregon, attended Tommy Prothro coaching clinics and games, but never met the Bruin headman until the weekend following Arkansas' appearance in the Sugar Bowl last New Year's Day.

The 28-year-old Von Appen comes to UCLA following a year (1969) as an assistant offensive line coach under Frank Broyles at University

of Arkansas. He'll coach fundamentals and work with the defense in his first season at UCLA.

After prepping at South Eugene (Ore.) High, he starred four years as an offensive guard at Linfield College in McMinnville, Ore., graduating in 1964. He returned to serve as an assistant mentor at his alma mater in 1964 and '65.

Von Appen coached briefly at Centennial High in Portland, but then went into the Army Reserve for six months. He returned for two seasons (1967-68) as line coach at Medford (Ore.) High. Then he was signed by Arkansas.

He's married to the former Sally Ferris of Portland. They have no children.

JOHN BECKER
(San Fernando Valley State College '65)
Head Freshman Coach

A highly-successful high school coach, John Becker, is the new UCLA head freshman football coach for 1970, taking over for Norman Dow, who went to University of Wisconsin with former Bruin assistant John Jardine.

Becker, 27, assumed his full-time duties in July after eight years of coaching at Crespi High in Encino, Calif., five (1965-69) as the head coach and three (1962-64) as an assistant under Tony Kopay before the latter joined the UCLA staff. Becker coached two championship teams, 12-1 in 1965 as a Southern California CIF "AAA" runner-up team and 9-1 in 1967.

Becker prepped at Notre Dame High in Sherman Oaks, Calif., and played football at University of San Diego before moving to San Fernando Valley State in Northridge, Calif., when USD discontinued the sport. Actually, John has been coaching since a sophomore in college.

Becker is married to the former Kathleen Wallick and they have three children, Kristine, 4; Karen, 3; and John, 2.

Jim Nader (see below) is No. 11 in passing and Mickey Cureton (see below) is No. 13 among the ball carriers going into this, their senior years.

GAME NO. 1

Dee Andros has never had a losing season since he started as head football coach at Oregon State in 1965, but he gets his biggest challenge to that record this fall. The schedule is extremely rough, starting right off with UCLA, Iowa, Oklahoma and USC.

Basically, this is a junior-dominated team that will represent OSU this fall. There are only seven seniors on the entire roster. The Beavers lost some good men through graduation, particularly in the defensive secondary. Every secondary regular from last year is gone.

Offensively, there's more experience, although virtually all the starting members will be juniors. A great 1-2 offensive punch is centered around a pair of juniors, quarterback Steve Endicott, 185, and bruising fullback Dave Schilling, 221.

Endicott completed 93 of 190 passes for 50%, 1,251 yards and 10 touchdowns. Schilling was the team's leading rusher by netting 635 yards on 173 carries for a 3.7 average and 5 TD's.

Fleet Billy Carlquist, 190, is the heir-apparent to departed wingback star, Billy Main. He averaged 4.9 yards on 29 carries.

The starting offensive halfback job could go to any one of three cadidates, veterans Ralph Snow, 200, and Sal Cirrincione, 188, or soph Mike Maestri, 195. Also back are other experienced running backs, Larry Watson, 200, and Roger Smith, 230.

Bulwark of the defensive line is sure to be king-sized tackle Craig Hanneman (6-4, 240). After playing in the shadow of Jess Lewis the past couple of campaigns, Hanneman appears ready to win 'All" honors of his own. Beaver linebacking should be good, too, paced by veteran Jack Faulkender, 202, and super soph Butch Wicks, 230.

The passing attack should be greatly strengthened, and split end Jeff Kolberg, 197, could be the best at OSU since Vern Burke won All-America honors in 1963.

Widest Margin of Victory for UCLA: 56 Points (63-7 in 1968)
Widest Margin of Victory for Pittsburgh: 21 Points (27-6 in 1958)

GAME NO. 2

If you were looking for a modern-day miracle worker, why not consider Pittsburgh coach Carl DePasqua? What has he done? Only return a football team which had won three of 30 games back to respectability with a 4-6 record, hiding the fact that Pitt was competitive in every game it played in '69. And, more importantly, De Pasqua restored pride, an element long missing from the Pitt gridiron scene, into the program.

The fruit of De Pasqua's hard work could be manifest in a winning 1970. He has 31 returning lettermen, 13 of them starters, coming back to a club which, despite a mediocre record, had a top mark in the East, losing only to second-ranked Penn State while topping Syracuse, Army, and Navy.

DePasqua's quarterback will be either junior Dave Havern (5-9, 160) or sophomore John Hogan (5-11, 182). Havern sat out last year with mononucleosis, but in '68 set three school records in passing for 1810 yards. Hogan is one of DePasqua's recruiting prizes, and had an excellent spring.

Six talented running backs give Pitt plenty of depth. Returnees Tony Esposito (6-1, 230) and Dennis Ferris (6-1, 200) are two-year veterans and will get the first call. Esposito ran for 743 yards last season while Ferris tacked on 459 to give the Panthers a solid attack. They'll be pushed by Dave Garnett (6-2, 215), John Moss (6-4, 224), Phil Sgrignoli (5-11, 220), and Lou Julian (6-0, 212). Either Garnett or Moss could be moved to flanker to emphasize their outstanding speed.

The receivers are Steve Moyer (6-0, 190), who hauled in 48 passes last year, and two-year regular Bill Pilconis (6-6, 207).

Seven returnees give Pitt its most solid defense in recent years, bolstered by All-America candidates Ralph Cindrich (6-1, 220), a junior linebacker, and senior tackle Lloyd Weston (6-1, 235). Cindrich is considered Pitt's best linebacker since Joe Schmidt, now coach of the Detroit Lions.

Widest Margin of Victory for Northwestern: 19 Points (19-0 in 1948 and 19-0 in 1931)

GAME NO. 3

The Wildcats are on the prowl. They came back part way last year with a 3-7 record — and now look for still more improvement this fall, Northwestern's seventh season under coach Alex Agase.

Following a promising spring practice, coach Agase had this to say, "This team is ahead of the goals we set for it overall. Last year we were advertised as a passing team. But this year we're going to run. I want our team to play hard-nosed football and running is the way to do it."

While both sophomore quarterbacks, Todd Somers and Greg Strunk, are accustomed to the newly-installed option series, it was the way returning starter Maurie Daigneau, 10 pounds lighter and faster, adapted to the unfamiliar style that bred new confidence in the Wildcats. Daigneau, who had not previously been a runner, ran aggressively and well during the spring, and clearly retained his hold on the starting job. His ability to throw the ball is unquestioned—as evidenced by his record-breaking 22 of 34 accuracy in his starting debut last year against Ohio State.

Another tactic to loosen the defense is the halfback pass, which junior Al Robinson used to tally the first TD of the spring game on a 40-yd. pitch to junior flanker back Barry Pearson. Robinson's outstanding running was a highlight of the spring workouts, as was the performance of the Wildcats' All-Big Ten running back Mike Adamle, who has moved to fullback. Last year, Adamle was the team's No. 1 rusher.

Other likely targets besides Pearson are proven junior speedster Jerry Brown at split end and sophomore Steve Craig at tight end, whose swift development enabled Agase to switch the returning starter at tight end, Jon Hittman, back to his primary position, offensive tackle.

Another factor that should induce more scoring is the experience in the offensive line, which has returning starters from tackle to tackle.

The defensive unit, like the offense, has seven returning starters among the 29 lettermen that make this the most experienced Northwestern team in Agase's seven years at the helm.

UCLA All-Time Record against Texas: First meeting

GAME NO. 4

Where do you go when you're No. 1? That's the problem facing Texas coach Darrell Royal, now in his 14th season at the helm of the Longhorns. And the problem may rest on the shoulders of Texas opponents this fall as Royal welcomes back 35 lettermen from last year's 11-0-0 Cotton Bowl squad in addition to several talented freshmen.

Royal does have one difficulty, though, and that is replacing quarterback James Street, who led the Longhorns to 20 consecutive victories and two Southwest Conference titles. His '69 understudy, junior Eddie Phillips (6-0, 190) is counted upon to replace him. Should he falter, two sophs, Gary Keithley (6-3, 202) and Alan Lowry (5-10, 186), are ready to step in.

The backfield remains fairly intact with All-America fullback (now halfback) Steve Worster (6-0, 210) and halfback Jim Bertelsen (5-11, 197) both returning. Bertelsen, a junior, led the team in rushing with 104 carries for 740 yards, a 7.1 yard average, while Worster, a hard-driving senior, was right behind with 136 carries for 649 yards.

Two other All-America selections return to the Longhorn corral in the person of split end Cotton Speyrer (6-0, 170) and tackle Bobby Wuensch (6-3, 235). Speyrer caught 30 passes for 492 yards and three touchdowns a year ago while Wuensch anchored the offensive line. Both are seniors.

Defensively, Texas again is strong at the linebacker spot as both Scott Henderson (6-0, 215) and Bill Zapalac (6-4, 225) are prime All-America candidates. Ends Bill Atessis (6-3, 260) and David Arledge (6-0, 182) are the returning mainstays of the Longhorn defensive line which allowed an average of only 10.8 points per game last season.

The only potential trouble spot for Royal is the defensive secondary where Danny Lester (6-0, 175) is the lone returnee. Donnie Wigginton (6-0, 190) and Rick Nabors (6-0, 165) have joined Lester to give Texas an eager, but relatively inexperienced, pass defense crew.

GAME NO. 5

Fifteen returning starters, nine on offense and six on defense, grace the Oregon football picture for 1970. Coach Jerry Frei, now in his fourth season as Duck boss, has 30 returnees overall from a '69 squad which finished 5-5-1.

Five Oregon offensive records were shattered last year, and the key people responsible for the destruction all are back. Quarterback Tom Blanchard (6-0, 188) returns to lead the offense, and it marks the first time since 1964 that the Ducks have gone into a campaign with a veteran starting quarterback at the controls. Backing up Blanchard are two sophomores, Steve Bailey (6-2, 198) and Dan Fouts (6-3, 180).

Two of the Pacific-8's leading receivers, Bobby Moore (6-2, 218) and Bob Newland (6-2, 188), both return to take in Blanchard's aerials. Moore, a junior, caught 54 passes and scored 92 points last year, both Oregon records. He'll be used at running back, in addition to his flanker spot. Newland was No. 2 in the conference in receiving behind Moore last season with 45 receptions for 640 yards.

In the backfield, lettermen Thurman Anderson (6-0, 197) and Greg Marshall (6-0, 208) both return. Dave Jones (6-0, 195) will provide help if he recovers from knee surgery.

On the line, tackle Ralph Pettingell (6-0, 228) and guard Mark Andrews (6-1, 221) are both solid. Two-year letterman Jack Stambaugh (6-3, 247) provides capable relief for Andrews. The center is Bob Hawk (6-1, 215).

All-America linebacker prospect Tom Graham (6-3, 232) heads the list of defensive standouts. Graham, who plays the middle, is a hard tackler who was credited with 206 tackles a year ago, 105 unassisted. The secondary is strong, centered in the hands of Bill Drake (6-0, 191) and Lionel Coleman (6-1, 185). Bill Brauner (6-0, 185) looks like a good bet to open the season at safety; he missed the '69 season with injuries, but lettered in 1968.

Tackle Dave Walker (5-7, 200) and end Steve Buettner (6-2, 221) anchor the interior line.

GAME NO. 6

A football team that is coming strong, a team that hasn't had a losing season in three years now—that would be the California Bears—could be one of the real surprise teams and a most potent factor in the 1970 Pac-8 race.

Cal not only has 29 lettermen returning from its 5-5 team of last year but also has some superb newcomers up from both the frosh and junior college ranks. All eyes will be on running back Isaac Curtis (6-1, 195), who sped the 100 in a "mere" 9.3 last spring and averaged a "mere" 7.4 yards per carry as a frosh last fall, including TD runs of 78, 72, 34 and 28 yards.

It will not be all Isaac Curtis, however. Returning starters Bob Darby (6-0, 185) and Stan Murphy (6-0, 170) are very competent running backs. They both averaged nearly five yards per carry last fall.

At quarterback the Bears have a good one in returning starter Dave Penhall (6-1, 185), a senior. In the 1969 finale, he hit on 23 of 36 passes and 321 yards in the 29-28 loss to Stanford. Another returning senior, Steve Curtis (5-11, 190), impressed at QB last year in the opening three games before being sidelined by a broken collarbone.

The Bears are counting on three veteran wide receivers—Geoff DeLapp (6-2, 190), Jim Fraser (6-0, 165) and Kenny Adams (6-2, 160)—to be vastly improved. Last year, they caught 25, 23 and 12 passes, respectively. But the big hope is transfer Steve Sweeney (6-4, 195), who averaged 20 yards per catch at Yakima, Wash., JC last year.

The offensive line is headed by All-Pac-8 tackle Bob Richards (6-2, 250) and All-Coast second team guard Greg Hendren (6-3, 230) and a bevy of promising newcomers.

Defensively, Cal also has a combination of proven veterans, such as linebacker Phil Croyle (6-3, 220), tackle Sherm White (6-5, 245) and guard O. Z. White (6-2, 235), and flashy newcomers, such as soph linebacker Godwin Turk (6-3, 225), All-America JC transfer guard Neil Agness (6-3, 255), to name only two.

Widest Margin of Victory for UCLA: 72 Points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 7

A record 34 returning lettermen, including All-America and Heisman Trophy candidate Jim Plunkett, give coach John Ralston the necessary ingredients to improve on last season's banner 7-2-1 campaign which saw the Indians miss a trip to the Rose Bowl by the slimmest of margins.

Plunkett (6-3, 204), holder of six Pacific-8 records, is the guiding force behind what could be the most explosive offense in college football. Last season, the Tribe topped the conference by amassing a record 4,946 yards total offense in 10 games. And Plunkett was the key, completing 197 passes in 336 attempts for 2,673 yards and 20 touchdowns.

His job will be made a lot easier by the presence of two All-America candidates in the offensive line, center John Sande (6-2, 226) and tight end Bob Moore (6-3, 221). Both have been starters the past two years and were first team All-Coast performers in 1969.

Moore is just one of a group of talented Stanford receivers. Flankers Randy Vataha (5-10, 181) and Demea Washington (5-11, 181) and split ends Jack Lasater (6-2, 195) and Randy Tipton (6-2, 185) are all back, giving Mr. Plunkett a variety of pass catchers to throw to.

With Bubba Brown and Howie Williams, the No. 1 and 2 ground gainers the past two years, departed, the ball-carrying chores fall on the shoulders of juniors Jackie Brown (6-2, 200) and Hillary Shockley (6-1, 220). Both saw quite a bit of action a season ago, but must come through if the Tribe is to have a balanced attack and maximize Plunkett's passing talents.

On defense, Ralston faces a major task in replacing All-America linebackers Don Parish and Pat Preston. Jeff Siemon (6-2, 220), a converted defensive end, and Tom Sones (6-1, 206) are the prime candidates for the two spots.

The Bruins won six in a row from the Indians before last year's 20-20 thriller at Palo Alto, and hope to make it seven without defeat this fall.

GAME NO. 8

The Cougars should be strong this year with 25 returning lettermen, 12 junior college transfers and a number of players up from the undefeated 1969 freshman team. In other words, look for WSU to improve on its 1-9 record of last fall.

The quarterbacking should be better. Sophomore Ty Paine and JC transfer Hal Chealander had good spring practices, and both have height, something the Cougars lacked at this position last year. Chealander is a strong passer, and showed this spring he also can run. Paine is the better runner, but he also can pass.

Lettermen Bob Ewen (6-0, 207) and Ken Lyday (5-11, 196) are battling for the fullback spot and Bernard Jackson, a JC transfer, and veteran Gary Kline (5-11, 190) are doing likewise at halfback. Jackson has good speed, and although only 170 pounds, blocks well.

The offensive line will have more experience. The tackles, Buzz Brazeau, a letterman, and JC import Walt Williams, both 255, have good speed. Jim Giesa and Steve Busch return at the guards and are being pushed by soph Bill Moos. All three weigh in the 230-lb. class. John Hook, another JC transfer, was No. 1 at center during spring ball, moving ahead of letterman Mike Lynch (6-1, 215).

Hugh Klopfenstein (6-4, 225), if healthy, should start at tight end, but sophs Jim Forrest and Bob Engel are ready to step in. The wide receivers are the question marks. At split end, Ed Armstrong is a good receiver bu lacks speed. Lionel Thomas was tried at flanker during the spring but had trouble catching the ball. Brock Aynsley was out for track and missed spring ball, but is expected to start at flanker.

The defense returns All-Pacific-8 Lionel Thomas at halfback and with some good junior college help WSU should be stronger in the secondary.

The Cougars have now lost three in a row to the Bruins. Last time WSU beat UCLA in football was back in 1958, the final year of the Pacific Coast Conference.

GAME NO. 9

When you've reached the depression of a 1-9 season, there's only one way to go, and that's up. With this thought in mind, Washington coach Jim Owens enters the 1970 season on an apprehensive, but positive, note.

And Owens is hopeful that the passing game will be the Huskies' ticket to renewed football respectability. "There's no doubt about it," he commented after spring practice, "we accomplished our No. 1 goal . . . we threw the football. We have some very fine passers and receivers and plan to put the ball in the air this year."

Owens' tentative quarterback is sophomore Sonny Sixkiller (6-0, 171), given the job off his performance in the spring game. However, last year's incumbents, Steve Hanzlik (6-3, 194) and Gene Willis (6-1, 200) also are in the picture.

Owens wasn't kidding when he spoke of the Huskies' good receivers. Jim Krieg (5-10, 172) emerged as Washington's top pass catcher after transferring from Taft JC, where he attained junior college All-America recognition. The other split end is soph Ira Hammon (6-3, 190), who caught 12 aerials in four frosh games, the top Husky yearling mark. Top candidate for the tight end spot is returnee Ace Bulger (6-4, 231).

The offensive backfield is a Husky bright spot. Bo Cornell (6-1, 217) and Joe Bell (6-0, 205) both return to augment JC All-America transfer Darrell Downey (6-0, 200). Cornell gained 613 yards in '69, the seventh best figure in UW history, while Bell had the top rushing average with 5.3 yards a carry. Downey is a top prospect from Ventura College.

Anchoring the offensive line is center Bruce Jarvis (6-7, 245). Capable Ernie Janet (6-4, 241) and part-time starter Wayne Sortun (6-0, 221) are the guards while JC transfer Dan Cunningham (6-5, 228) and Lane Ronnebaum (6-0, 242) are the tackles.

On defense, the top spot is the secondary where two sophs, Cal Jones (5-9, 170) and Bill Cahill (5-10, 174) will be operating along with three veterans, Bob Burmeister (6-1, 191), Gary Carr (6-1, 184), and Mark McMahon (6-1, 190).

GAME NO. 10

Despite only 16 returning lettermen, USC coach John McKay nonetheless has the material with which his Trojans are again the team to beat in the Pacific-8 as they look for an unprecedented fifth straight Rose Bowl appearance come January 1.

Offense is McKay's strong suit. As he says, "The strength of our team lies in the fact that our starting backfield returns intact."

And leading the Trojan parade is junior quarterback Jimmy Jones (6-1, 193), USC's "Most Valuable Player" after engineering a 10-0-1 season and a Rose Bowl win over Michigan.

The supporting cast comprises three seniors, tailback Clarence Davis (5-11, 190), wide receiver Bob Chandler (6-1, 176), and fullback Charlie Evans (6-1, 212).

Davis took over last season where O. J. Simpson left off, leading the Trojans in rushing with 297 carries for 1351 yards, nine touchdowns, and a 4.5 yard average. Chandler, the Rose Bowl "Player of the Game," spent much of last season on the sidelines due to injury, but still caught 17 passes for 279 yards and three TD's. The bruising Evans also was effective, especially in short yardage situations, picking up 328 yards in 76 carries, a 4.3 average.

Split end Sam Dickerson (6-2, 194) is also back. Troy's leading pass catcher, Dickerson was on the receiving end of 24 tosses, good for 473 yards and six touchdowns.

On defense, McKay's standouts include four outstanding seniors, tackle Tody Smith (6-5, 247), end Charlie Weaver (6-2, 214), linebacker Greg Slough (6-3, 230), and halfback Tyrone Hudson (6-0, 175).

Although McKay admits he has some holes to fill, created by the departure of All-America tackle Sid Smith in addition to Jimmy Gunn and Fred Khasigian, 1970 could again be a Trojan year in college football.

Widest Margin of Victory for Tennessee: 24 Points (42-18 in 1968)

GAME NO. 11

The Tennessee football program has a new look this fall as Bill Battle, a Vol assistant the past four seasons, takes over the head coaching reins from Doug Dickey, the new head coach at University of Florida.

And from all indications, Battle's inaugural campaign promises to be a successful one as both the offensive backfield and interior line return intact from last year, which saw Tennessee run up a 9-2 record.

Senior quarterback Bobby Scott (6-1, 201) will be Battle's field general. A good long or short passer, Scott will be backed up by promising sophomore Dennis Chadwick (6-3, 191).

Tailback Don McLeary (5-11, 192) averaged 4.1 yards a carry a season ago and will open the 1970 season at his old spot. A stiff challenge was offered him last spring by soph Kevin Milam (5-11, 195), who may see quite a bit of action as the season progresses.

A concerted effort was made during spring practice on getting the ball more often to speedy wingback Lester McClain (6-3, 197) to capitalize on his open-field running ability. Also an able receiver, he caught 17 passes for 333 yards in '69.

The workhorse of the backfield is all-SEC junior fullback Curt Watson (6-0, 217), who led the conference in rushing as a soph, gaining 807 yards in 146 carries, a 5.5 average.

Senior guard Chip Kell (6-0, 242), a consensus All-America, is looking to improve on his performance of a year ago, which saw him win the Jacobs Trophy as the best blocker in the SEC.

Steve Robinson (6-1, 232), a senior, and junior Joe Balthrop (6-3, 240) are the tackles who will anchor the same offensive line which had a lot to do with the Vols' averaging 31 points a game last year. Center Mike Bevans (6-1, 215) came on strong at the end of last season to win second-team all-SEC honors.

Battle's defense picture is not as bright as that of the offense, but he does have two All-America candidates in safety Tim Priest (5-11, 192) and linebacker Jackie Walker (6-0, 188).

BASEBALL SIGNS DANNY GRAHAM

As we went to press late in June, UCLA's baseball-football star, Danny Graham, signed a baseball contract with the Baltimore Orioles.

And so he is lost to the 1970 Bruins as a senior defensive back, either as a safetyman or a cornerback. He's been a starter for two years—and also was a hard-hitting outfielder for UCLA the past two seasons.

THUMBNAIL SKETCHES OF TOP UCLA PLAYERS

(In Alphabetical Order)

Only Lettermen Are Pictured

ROBERT M. (BOB) ADAMS—Sophomore; undecided on major in College of Letters & Science. He's up from 1969 frosh team on which he was the starting fullback. Came late last spring and indicated he could be a real key at FB position. Has natural quickness and good size (6-1, 200). Must acquire confidence. Lettered in football under coach Jack Mathieson at Canoga Park (Calif.) Hi; also lettered in baseball. As the 1968 All-Los Angeles City "Player-of-the-Year" he was a highly sought-after prep star.

BOBBY DEAN (BOB) BARTLETT—Senior; Public Service major. A two-year letterman, 1968 soph linebacker who played 104 minutes and a junior offensive guard who played 63 minutes last year, he's tabbed for starting honors at OLG this fall. Was voted honorary captain of 1967 frosh team. Had his most impressive spring practice since coming to UCLA. Has fine speed, quickness and gives added punch to the interior offensive line. Looks ready for a banner senior campaign. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in baseball and wrestling. RICHARD PAUL (RICK) BASKA—Sophomore; Economics major. Up from 1969 frosh team on which he was a starting defensive left end. Indicated in spring practice he could be a pleasant surprise. Was No. 2 at DLE this spring when senior Bruce Bergey was excused to recuperate from a shoulder operation. An excellent athlete, Baska has fine speed, agility and football sense. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in track and wrestling. Won All-Los Angeles City second team grid honors in 1968. Served as Senior Class president and football captain. Played on South team in 1969 Shrine prep classic in Los Angeles.

Was a starting defensive end on undefeated 1968 frosh team. Had an excellent spring practice and is tabbed to be the likely starter at DRE. His experience at this position gives him advantage. Has good speed and quickness. Lettered in football under coach Bob Woods at Mater Dei Hi in Santa Ana, Calif. Won All-Orange County grid honors.

BRUCE GENE BERGEY—Senior; Physical Education major. A two-year letterman, 1968 soph offensive tight end who played 70 minutes and a defensive end who played 76 minutes last year, he looms as the DLE starter this fall. He was excused from spring practice because of recuperating from a shoulder operation. Last year, he was the Bruins' No. 3 defensive end, spelling both Wesley Grant and Bob Geddes. Has fine size, exceptional speed for the position and is an excellent pass rusher. He's also very tough and rugged. Transferred to UCLA in fall of 1968 after winning all-conference honors at Glendale (Calif.) City College in '67. Was awarded the Bronze Star for heroism in Vietnam as an Army corporal. His older brother, Bill Bergey, was an outstanding rookie linebacker for the Cincinnati Bengals of the NFL last year. Bill starred at Arkansas State. Bruce lettered in football under coach Bob Brown at Pine Valley Hi in South Dayton, New York; also lettered in basketball and track. Won all-league honors as a defensive tackle for two years.

THOMAS FRED (TOM) BREITKREUZ—Junior; Economics major. This JC transfer from Riverside (Calif.) City College had an exceptional spring practice. Won All-San Diego CIF grid honors in both 1967 and '66. Served as both football and basketball captains.

rial Trophy for "Rookie of the Year." Led the team in both punt returns (33) and pass interceptions (6) and was second to Mickey Cureton in kickoff returns with eight. He posted UCLA's "longest" punt return (43 yards, vs. Pittsburgh) and kickoff return (71 yards, also vs. Pitt) last year. And the diminutive Ron (5-9, 160), nicknamed "The Fly," indicated in spring practice that he's going to be an even better and smarter player this year. There's no doubt he's one of UCLA's most exciting football players in history. Starred on the 1968 undefeated frosh as a split end and also a punt and kickoff returner. Lettered in football under coach Gene Vollnogle at Carson Hi in Torrance, Calif.; also lettered in baseball, track and cross country. ROBERT SCOTT (BOB) CHRISTIANSEN—Junior; History major. Lettered last year by playing 48 minutes in spelling Mike Garratt at offensive right (tight) end. Looms as the starter at this ORE spot. Not only has developed physically but also has fine speed, exceptional hands and should be a most valuable asset to both running and passing games. Last year, he caught one pass for 11 yards and a TD from Jim Nader against Washington. Moved up to the varsity squad last season from 1968 non-playing varsity group after playing on 1967 frosh team. MICHAEL LAWRENCE (MICKEY) CURETON — Senior; Political Science major. This two-year letterman started 3 games and played 90 minutes as a soph tailback in 1968 and started all 10 games and played 215 minutes at fullback last fall. He played on 1967 frosh team. He didn't participate in spring practice because of a neck injury suffered last fall. However, it is hoped he'll be ready to go this season. There's no doubt he's one of the country's most exciting running backs. He enjoyed an outstanding year at fullback in 1969, easily his best year as a Bruin, and gained a lot of confidence. He'll return to the tailback spot this fall. Won wide acclaim in '69, including being named to UPI's All-West Coast first team, AP's All-Coast second team and All-Pac-8 honorable mention. He also was picked on 33-man All-America team selected by Football News Magazine. He was the Bruins' No. 2 rusher for the second straight year behind Greg Jones. Mickey netted 721 yards on 114 carries for a 6.58 average and 6 TD's. In two years now, he has gained 1,086 net yards on 200 carries for a 5.43 average and 10 TD's to currently rank No. 13 on UCLA's all-time ball carrying list. Last fall he had a spectacular game against Northwestern, gaining 179 yards on 11 carries, including TD runs of 75 and 61 yards. He also went over the century mark against California, netting 133 yards on 14 carries. These were the two biggest games of his Bruin career, to date. His biggest game as a soph was against Washington State, netting 106 yards on 15 carries. He's also an outstanding blocker and pass receiver. Plus, he's an ever-dangerous punt and kickoff returner. Yes, this 5-9, 181-lb. back is truly a versatile one, a great one. Lettered in football under coach Aaron Wade at Centennial Hi in Compton, Calif.; also lettered in track and basketball. He stamped himself as the greatest running back in Southern California prep history. Among the CIF records he set were 240 points scored in one season (1966), 40 points in one game and 474 points (including 74 TD's) during his three-year Centennial career. He was a two-time (1965 and '66) All-America prep selection and also was picked as SoCal CIF "Player of the Year" both seasons. Some 75 universities throughout the country sought to recruit him. His uncle, Hardiman Cureton, was an All-America guard and UCLA football captain in 1955.

DAVID M. (DAVE) DALBY—Junior; undecided on major in College of Letters & Science; Phi Gamma Delta fraternity. Started all 10 games and played 246 minutes at center as a sophomore last year. Was a starting offensive guard on 1968 frosh team. Was outstanding all season long and now, after a great spring practice, the coaching staff rates him the finest offensive lineman at UCLA since coach Prothro has been here. Won honorable mention on 1969 UPI All-Coast team. He'll warrant marked attention for "All" honors this fall. He has great quickness, strength and agility. Is an exceptional pass protector. Has the quickness to snap the ball and then pick up the shooting linebacker. As the only returning starter from 1969 offensive line, he figures to be one of the team leaders. Truly, looms as one of UCLA's super stars of '70! Lettered in football under coach Harry Robinson at La Serna Hi in Whittier, Calif.; also lettered in baseball and basketball. Won All-Suburban League grid honors in both 1966 and '67. Also received 1967 All-Southern California CIF second team laurels.

ALFRED DOUGLAS (DOUG) DIEBOLT—Senior; Geography major; Phi Kappa Sigma fraternity. Lettered last year by playing 50 minutes in backing up Ron Tretter at offensive left guard. DENNIS BRIAN DUMMIT — Senior; Economics major. Had a sensational rookie year as the 1969 Bruin quarterback. Started all 10 games and played 253 minutes, the most of any offensive returnee. Was voted 1969 co-recipient with Floyd Reese of the coveted Henry R. "Red" Sanders Trophy for UCLA's "Most Valuable Player." Virtually rewrote the Bruins' passing records, setting seven new marks and tying one. In the single-game category, he attempted more passes (43), completed more passes (21) and handled the ball more times (57, 43 on passes and 14 running) than any other UCLA back in history, all in the USC game. Also tied the game record of "most touchdowns running" by keeping for three tallies in Stanford game. Set four seasonal records: most passes attempted (208), most passes completed (114), most yardage gained by passing (1,963) and most TD passes (15). He completed 54.8% of his passes last year. He had 10 passes intercepted. He passed for more than 200 yards in six games, topped by 258 vs. Pitt and 253 vs. USC. He had no less than six TD pass plays that gained more than 50 yards, topped by a 68-yd. bomb to George Farmer vs. Washington, a 65 yarder to Gwen Cooper vs. California and a 60 yarder to Cooper vs. Oregon State. Has to be considered one of the country's premier QB's off his performance as a junior and there is no reason to believe he won't be even better this fall. Rated a superb passer with exceptional control of the football. Has fine anticipation when to throw and who to throw to. Also has a quick delivery. He's a capable team leader, setting an extremely fine example in terms of hard work and dedication. He's improving as a ball handler. His running play execution is improving and should be a strong point this fall. Figures to be in line for "All" honors in '70. Last year, he won honorable mention on both AP and UPI All-Coast teams. Transferred to UCLA in spring of 1969 from Long Beach (Calif.) City College where he starred at QB for two years. Won All-Metropolitan Conference honors for two years and also was picked as the conference's 1968 "Player of the Year" and the same year won All-America JC acclaim. Lettered in football under coach Bill Hicks at Savanna Hi in Anaheim, Calif.; also lettered in wrestling. Won both all-league and All-Orange Country grid honors. Served as football captain.

PATRICK BLAISE (BLAISE) EVERS—Sophomore; History major. Was on non-playing varsity squad last year after playing on 1968 frosh team. Had an outstanding spring practice at offensive right (flanker) back. In final spring game he suffered a liver injury and yet continued to play without realizing he was injured. He underwent an operation that night and it appears he'll be ready for action this fall. Need it be said, he's a physically tough player. He does a great job of catching passes in a crowd; in fact, he caught more passes in scrimmage situations last spring than any other receiver. Lettered in football under coach George Dena at Servite Hi in Anaheim, Calif.; also lettered in track and basketball. Won All-Southern California CIF and All-Orange County grid honors. Also won All-America prep honorable mention. Served as football captain.

(He didn't compete at LACC in '67.) He returned to safety last spring and looms as the starter at RS. Has the most physical ability (6-3, 214) of any defensive back on the squad. Can be as good as he wants to be, according to coaching staff. Has intercepted 4 passes for the Bruins, two last year and two in '68. At LACC, he won All-Western States Conference honors at linebacker. Lettered in football under coach Hal Giancanelli at Lincoln Hi in Los Angeles; also lettered in track. Intercepted one pass for 36 yards and a TD against Washington State last year. Didn't compete on 1968 frosh team because of injuries. Lettered in football under coach Al Matz at Poly Hi in Long Beach, Calif.; also lettered in baseball. Won All-Moore League grid honors and also received All-Southern California CIF baseball acclaim. Lettered in football under coach George Swade at Bishop Montgomery Hi in Torrance, Calif. Won all-league honors for two years. Served as football captain.

HORACE MARVIN (MARV) KENDRICKS—Junior; Sociology major. Transferred to UCLA last spring from Riverside (Calif.) City College where he starred for two years as a running back. Impressed at tailback last spring as an extremely powerful ball carrier, the type which bounces off tacklers and goes for extra yardage. Also did a fine job of catching the ball—and is an adequate blocker. However, he's still learning the UCLA system. Was the Bruins' leading rusher in the final spring game, netting 43 yards on 8 carries. Also caught 2 passes for 27 and 15 yards. As one grid scribe wrote, "Kendricks, a stubby little runner with elusive moves . . ." Actually, he's not so stubby (5-11) or so little (196). He figures to challenge for No. 2 spot behind Mickey Cureton at OLH. Lettered in football under coach Gene Hall at Mt. Vernon (Ill.) Hi; also lettered in track.

JACK CLAIRE LASSNER—Sophomore; undecided on major in College of Letters & Science. Up from 1969 frosh team on which he was the starting right (tight) offensive end. Has exceptionally good hands, speed and size (6-3, 213) for this position. Also showed improvement as a blocker last spring. honors, including "Most Valuable Lineman" recognition. Played on the North team in 1969 Shrine prep classic in Los Angeles. Served as football and wrestling captain.

CHARLES BRADLEY (BRAD) LYMAN—Junior; Physical Education major; Phi Kappa Sigma fraternity. Impressed last year as the No. 2 offensive right (flanker) halfback behind senior starter George Farmer. Excused from spring practice to compete on the Bruins' 1970 Pacific-8 Conference championship track team. Was a member of the winning NCAA and Pac-8 mile relay teams; also placed sixth in Pac-8 440. Has all-time fastest clockings of 9.6 and 21.4 in sprints and 47.7 in 440 and 46.6 in relay leg. In other words, the Bruins have one of the country's fastest footballers in Mr. L. He's a bonafide two-sport star in this day of specialization. Plus, he not only has speed but also has real football ability. In his 70 minutes of action last fall, he carried 5 times for 17 net yards, including a 13-yd. TD run against Pittsbugh, and caught 3 passes for 137 yards, an amazing average gain of 45.66 yards per catch. One reception from Jim Nader was good for 68 yards and a TD against Oregon State and another was from Dennis Dummit for 57 yards to set up the second TD against USC. And so Lyman looms as both a receiving and running threat. As the starting flanker back on undefeated 1968 frosh team, he averaged 10.0 yards on 12 carries and caught 5 passes for 94 yards. Lettered in football under coach Tom Burt at Los Altos (Calif.) Hi; also lettered in basketball, track and baseball. In all, he won 9 varsity letters. He was one of Northern California's top prep sprinters with bests of 9.6 and 21.4.

INDIVIDUAL VARSITY STATISTICS

1969—Rushing: 5 carries, 17 net yards, 3.40 average, 1 TD.
Receiving: 3 receptions, 137 yards, 45.66 average, 1 TD.

ROBERT DENNIS (BOB) MANNING — Senior; Pre-Dental major. For two years now he has been a dependable and capable No. 2 fullback for the Bruins, backing up Mickey Cureton last year and Rick Purdy in 1968. He played 76 minutes last fall, 80 in '68. This experienced and consistent player figures to come into his own this season as a Bruin starter, a valuable asset to the offensive unit with his running and blocking. He's small for a FB (5-11, 197) but compensates with excellent speed. He's also a capable pass receiver. In two years, he has netted 369 yards on 92 carries for a solid 4.01 average; also caught 5 passes for 89 yards. He was the starting FB on 1967 frosh team. Lettered in football under coach Paul Womack at Redlands (Calif.) Hi; also lettered in track. Won All-Southern California

VINCENT LEONG (VINCE) MOK—Sophomore; Pollitical Science major. This promising linebacker of Chinese descent is up from 1969 non-playing varsity squad. Transferred to UCLA in spring of last year from De Anza JC in Cupertino, Calif., where he starred for one year (1968). Won All-Camino Del Norte Conference honors and All-America JC honorable mention. Has good range and hits hard. Makes very few mistakes to compensate for his lack of size (6-0, 198) for this position. He wound up spring practice as the No. 2 MLB behind veteran Greg Snyder. Lettered in football under coach Ron Useldinger at Homestead Hi in Sunnyvale, Calif.; also lettered in baseball and basketball. Won All-Northern California prep grid honors in 1967. Served as football captain.

REYNAUD ERIC (REY) MOORE —Senior; Engineering major. Played 103 minutes at defensive right corner behind starter Danny Graham last year. Looms as starter at RC this fall with Graham moving to safety. Did a good job last season even without benefit of spring practice. Transferred to UCLA in fall of 1969 from Los Angeles City College where he starred for two years as a defensive back. Now with a year of varsity experience, he figures to be a greatly improved performer. He's at his best under pressure. Lettered in football under coach Art Mazmanian at Dorsey Hi in Los Angeles. His father, Willard Moore, starred in basketball at Cal Poly, San Luis Obispo.

INDIVIDUAL VARSITY STATISTICS

1969—Pass Interceptions: 1 for 3 yards, no TD.

JAMES MICHAEL (JIM) NADER —Senior; English major. Saw 47 minutes of action at quarterback last year behind Dennis Dummit and figures to be No. 2 again this fall. However, the coaching staff rates him the best back-up QB in Pacific-8. And he has the ability to give Dummit a season-long battle for starting honors. This two-year letterman indicated in spring practice that he has gained poise and confidence. In 1968, he started 4 games and played 160 minutes at QB. He was on the non-playing varsity squad in 1967 after transferring to UCLA in fall of '67 from Pasadena (Calif.) City College where he

starred at QB for one year (1966). Won All-Western States Conference second team honors on Pasadena CC's Junior Rose Bowl team. He has a strong arm and last spring he showed marked improvement in both his passing anticipation and timing. He currently ranks No. 11 among UCLA's all-time passers, having completed 81 of 192 aerials for 42.2%, 1,179 yards and 11 TD's. He needs only 8 more completions to move ahead of such Bruin greats as Ernie Case and Ray Nagel, both with 88 career completions. He's tied with another Bruin great, Paul Cameron, for the school record of most TD's by passing in a game. Cameron passed for 4 TD's against Santa Clara in 1951 and Nader tied it against Pittsburgh in his first game as a Bruin in 1968. In 1968, he completed 72 of 163 passes for 1,008 yards and 7 TD's; last year, 9 of 29 for 171 yards and 4 TD's, including a 68-yd. "bomb" to Brad Lyman. Lettered in football under coach Jack Friedman at St. Francis Hi in La Canada, Calif.; also lettered in baseball. Won All-Santa Fe League grid honors at QB. Served as football captain. Incidentally, he is the nephew of actor Ben Gazzara and actress Janice Rule.

INDIVIDUAL VARSITY STATISTICS

1968—Passing: 163 attempts, 72 completions, 1,008 yards, 7 TD's.
Rushing 68 carries, minus 35 yards, minus 0.51 average, 1 TD.
1969—Passing: 29 attempts, 9 completions, 171 yards, 4 TD's.
Rushing: 23 carries, 24 net yards, 1.04 average, no TD's.
2-Yr. Totals—Passing: 192 attempts, 81 completions, 1.179 yards, 11 TD's.
Rushing: 91 carries, minus 11 yards, minus 0.12 average, 1 TD.

TIMOTHY JOHN (TIM) OESTERLING—Senior; Geography major. After a two-year layoff from football he returned to action last fall and turned in a fine job as the No. 2 defensive left tackle behind senior starter Bruce Jorgensen. Played 103 minutes. He played on 1966 frosh team and then "retired" from the game until last year. Indicated in spring practice that he's ready for a banner senior campaign as the starter at DLT. He has fine size (6-4, 232), strength and quickness for his position. The coaching staff expects him to be one of the best interior defensive linemen on the Pacific Coast. Lettered in football under coach John McGinnis at Ramona Hi in Riverside, Calif.; also lettered in track and wrestling. Won All-Citrus Belt League honors in both football and wrestling. Served as football and wrestling captain.

MICHAEL WILLIAM (MIKE) PAVICH—Junior; Mathematics major. Played 79 minutes last year in backing up All-American Floyd Reese at defensive right tackle. Now he has moved into the starting DRT spot and is rated one of the quickest Bruin defensive linemen in history. He's tabbed for UCLA greatness. His quickness, strength and intense desire to play compensate for his average size (6-0, 211). Was a

starting defensive tackle and honorary captain of undefeated 1968 frosh team. Lettered in football under coach Cal Chai at Kamehameha School in Honolulu, Hawaii; also lettered in track. Won all-league grid honors in both 1966 and '67. Served as captain in both sports.

GREG LEO PEARMAN—Junior; History major. Saw 59 minutes of action last year in backing up senior starter Gordon Bosserman at offensive left tackle. He now has moved into the starting OLT spot and showed marked improvement and great promise last spring. Has good size (6-5, 220) for his position. Was a starting offensive tackle on undefeated 1968 frosh team. Lettered in football under coach Ernie Johnson at El Rancho Hi in Pico-Rivera, Calif.; also lettered in basketball. Won All-Pacific League grid honors.

EARL DONALD (PETE) PETERSON—Sophomore; Economics major. Up from 1969 non-playing varsity squad, he indicated in spring practice that he's a tough and dedicated defensive tackle. Figures to back up Mike Pavich in good style at DRT this fall. Was a starting defensive tackle on undefeated 1968 frosh team. Lettered in football under coach Gene Edwards at La Jolla (Calif.) Hi; also lettered in baseball, basketball and wrestling. Won All-San Diego CIF grid honors in junior year (1966) and was a two-year all-league selection. Served as football captain.

ROBERT M. (BOB OR PIFF) PIFFERINI, JR.—Junior; Economics major. Played 97 minutes last year in backing up senior starter Jim Ford at defensive right linebacker in good style. Excused from spring football to play baseball for the Bruins. He was the starting catcher. He's tabbed to be starting RLB this fall. The coaching staff feels he has all the credentials to become a Bruin star. However, he needs to add more weight to his 6-3 frame. Was a starting linebacker on undefeated 1968 frosh team. Lettered in football under coach Ron Useldinger at Homestead Hi in Sunnyvale, Calif.; also lettered in baseball. Won All-Central Coast first team and All-Northern California third team grid honors. Served as baseball captain. Incidentally, his father, Bob Pifferini, was a football star himself who played pro ball. He's now coaching at De Anza JC in Cupertino, Calif.

ROBERT JAMES (JIM) RAYL—Sophomore; undecided on major in College of Letters & Science. Improved steadily as a defensive cornerman all last year on non-playing varsity squad. A good athlete with a good attitude, he indicated in spring practice he'll battle veteran Reynaud Moore for starting honors

at RC this fall. Has good height (6-3) and speed for his position. Was a starting safetyman on undefeated 1968 frosh team. Lettered in football under coach Bill Hahn at Modesto (Calif.) Hi; also lettered in basketball and baseball. Won all-league grid honors for two years at quarterback. Served as football captain.

JAMES JOHN (JIM) SHEPNER—Sophomore; undecided on major in College of Letters & Science. Up from 1969 frosh team on which he was a starting linebacker. A good athlete, he indicated in spring practice that he has the ability to battle fellow soph Tom Daniels and JC transfer Max Knupper for starting honors at LLB. He's very active and covers well on pass defense. However, he needs to add weight to his 6-2 frame. Lettered in football under coach Tom Burt at Los Altos (Calif.) Hi; also lettered in baseball. Won all-league honors in both sports. Also won All-Northern California prep grid honors. Played on North team in 1969 Shrine football classic in Los Angeles. Served as captain in both sports.

ARTHUR ADELL (ART) SIMS, JR.—Senior; Political Science major. After being hampered by injuries in his UCLA career, to date, this talented offensive left (tailback) half may be ready for a really productive senior year. He came through a tough spring practice without being hurt. Played only 11 minutes behind Greg Jones last year because of a season-long ankle injury. In 1968, he played only 20 minutes behind Jones and Mickey Cureton. A strong, power-type runner, a healthy Mr. S. could be of real value to the Bruins this fall. Besides his running prowess, he's also a good blocker. Last year, he netted 43 yards on 14 carries; in 1968, 75 yards on 27 carries. Also was slowed down by injuries as a frosh tailback in '67. Lettered in football under coach C. C. Spates at Dunbar Hi in Fort Worth, Texas; also lettered in basketball. Won All-State prep grid honors. Served as football captain.

INDIVIDUAL VARSITY STATISTICS

1968—Rushing: 27 carries, 75 net yards, 2.77 overage, no TD's.
1969—Rushing: 14 carries, 43 net yards, 3.07 average, no TD's.
2-Yr. Totals—Rushing: 41 carries, 118 net yards, 2.88 average, no TD's.

GREGORY LEE (GREG) SNYDER—Junior; Political Science major; Phi Kappa Sigma fraternity. Saw 77 minutes of action last year behind All-America linebacker Mike Ballou. Tabbed to be one of the best LB's on the Pacific Coast this fall. He's extremely tough and hits hard. Also has good leadership qualities and will call the defensive signals from his MLB spot. Didn't play in 1968 because of recuperating from a knee operation. Was a defensive end on 1967 frosh team. Lettered in football under coach Dan Buckley at Pomona (Calif.) Catholic Hi. Won All-San Gabriel Valley prep honors. Served as football captain two years.

STEVE LANCE TAMBORSKI — Sophomore; undecided on major in College of Letters & Science. Up

from 1969 frosh team on which he was a starting defensive tackle. Was converted to an offensive tackle midway in spring practice and wound up as the No. 2 OLT behind Greg Pearman. Has fine size (6-5, 233) for his position. Lettered in football under coach Don Lockyer at Concord (Calif.) Hi; also lettered in wrestling. Won All-Contra Costa County grid honors.

JAMES RANDOLPH (RANDY) TYLER — Sophomore; undecided on major in College of Letters & Science. This promising fullback suffered a knee injury midway in 1968 frosh season and has been unable to play since then. However, he's showed signs of recovering from knee operation last spring and may be ready to go this fall. Not only a dynamic runner with power, he also could be the team's best blocker. The coaching staff is extremely high on Tyler if he can return to full duty. As the 1968 Brubabes' starting FB for two games, he netted 185 yards on 19 carries for a 9.7 average and two TD's. Lettered in football under coach Stan Thomas at Neff Hi in La Mirada, Calif.; also lettered in baseball. Won 1967 All-Southern California CIF Small Schools' "Player of the Year" honors. Also was all-league for three years. Also won All-CIF honors for two years in baseball. Served as football captain three years and baseball one year.

ZENO RAY VEAL—Junior; Sociology major. Transferred to UCLA last spring from East Los Angeles JC where he starred for past two years at tackle. Won all-conference honors both seasons. Moved midway in spring practice from defensive end to defensive tackle. Improved steadily and appears to need only experience at this position to be a good one. He's big (6-2, 235) and strong. Wound up last spring as the No. 2 DLT behind Tim Oesterling. Lettered in football under coach Ray McLeen at Roosevelt Hi in Los Angeles. Won All-Eastern League honors. Was a prep fullback and linebacker.

TERRY ALAN VERNOY—Sophomore; Pre-Medical major; Phi Delta Theta fraternity. Up from 1969 non-playing varsity squad, he had an impressive spring practice at offensive left (split) end and appears capable of battling veteran Rick Wilkes for starting honors this fall. He demonstrated good ability to go deep and also run medium range patterns. Has good hands and is a real competitor for ball in air. Carries out blocking assignments in good style. Was the starting split end on undefeated 1968 frosh team. Tied with Blaise Evers as the Brubabes' leading pass receiver with 7 catches for 87 yards and no TD's. Lettered in football under coach Bob Schlatter at Warren Hi in Downey, Calif.; also lettered in track and basketball. Won all-league honors in both football and track.

BRUCE EDWARD WALTON—Sophomore; Political Science (Pre-Law) major. Up from 1969 frosh team on which he was a starting offensive tackle. Had an outstanding spring practice and wound up as the No. 1 ORT. The coaching staff believes he'll be one of the country's premier soph offensive linemen this fall. He has all the credentials, including size (6-5, 265). In fact, he's the biggest Bruin on the squad. Appears to

need only varsity experience to be a great one. Lettered in football under coach Al Hammerschmidt at Helix Hi in La Mesa, Calif.; also lettered in basketball. Won all-league grid honors. Served as football captain. Incidentally, his younger brother, Bill Walton, is entering UCLA as a frshman this fall. He was the 6-11 All-America prep basketball center last season at Helix Hi. He's rated one of the greatest "big" prospects in prep hoop history.

RICK WILLIAM WILKES—Senior; History major. Backed up senior starter Gwen Cooper at offensive left (split) end last year in fine style. Played 68 minutes. He's the top pass receiver returning, having caught 11 for 181 yards and two TD's to rank No. 5 on the team. Missed first half of spring practice because of a heart murmur but returned to action and showed no ill effects in final 10 days of drills. Runs fine patterns and any kind of route. Has exceptionally good hands and excellent concentration on catching the ball. However, he could be pushed for starting honors by Terry Vernoy. Transferred to UCLA in spring of 1969 from Long Beach (Calif.) City College where he starred for two years at flanker back. Won 1968 All-Metropolitan Conference first team honors. That season he caught 40 passes to rank No. 2 among conference receivers. Worth noting: His quarterback at LBCC for two years was Dennis Dummit! Lettered in football under coach Roger Hull at Millikan Hi in Long Beach; also lettered in basketball and track. Won All-City prep grid honors and in his senior year caught 55 passes. Served as football co-captain.

AMAZING FEAT! BRUINS WIN 4 NCAA TEAM TITLES IN 1969-70

Only two universities have ever won four NCAA team championships in one school year—and they are both located in Los Angeles.

USC swept to titles in baseball, swimming, tennis and track back in 1963. UCLA duplicated this fantastic feat by sweeping National Collegiate crowns this past 1969-70 year in basketball, tennis, volleyball and water polo.

In all, now, the Bruins won 19 NCAA team championships, nine in tennis (1950-52-53-54-56-60-61-65-70), six in basketball (1964-65-67-68-69-70), two in track (1956-66), one in volleyball (1970) and one in water polo (1969).

Do you realize? . . . Only four schools have now won more NCAA team titles than UCLA's total of 19; no school can match the Bruins' amazing basketball accomplishment of four straight championships (1967-68-69-70) and six titles in past seven years; and NCAA championships were held in water polo and volleyball for the first time this year and the Bruins won both of them!

BRUINS CAN BOAST OF 21 FIRST TEAM ALL-AMERICANS

The greatest honor that can come to a football player is to be voted to a bonafide All-America first team.

Here is UCLA's list of 21 such All-Americans down through the years, headed by quarterback Gary Beban who also won the coveted 1967 Heisman Trophy awarded annually to the "Outstanding Collegiate Football Player in the United States."

The Bruins can boast of a pair of two-time All-Americans, center/linebacker Donn Moomaw in both 1950 and '52 and fullback Bob Davenport in 1954 and '55.

HISTORY OF UCLA

ROYCE HALL

Though still young compared to many other leading U.S. universities (it dates its founding only to 1919, when it became part of the University of California system), UCLA has reached maturity in size and may be approaching it in academic stature as well as in athletic success.

UCLA is holding its enrollment as close as possible to the prescribed limit of 27,500-student average for its three quarters, with its fall totals running slightly over those of Berkeley at something more than 28,000.

Since 1929, UCLA has been developing its foothill campus of 411 acres between Bel Air and Westwood Village; campus building is now 80 per cent complete.

Here, 77 departments of instruction in 14 schools and colleges are devoted to the serious task of producing high-quality graduates for California's growing needs in science, education, business, and industry. In addition, 23 research institutes, bureaus and centers serve the research needs of society.

UCLA's teaching and research staff totals 2,500, and the non-academic staff numbers 7,900.

To accommodate this intensive teaching and research program, UCLA has built a $328,000,000 plant, the bulk of it since World War II, and construction is still continuing. A number of the largest projects have been built without the use of state money; for example, the residence halls and parking structures were constructed with borrowed funds, and their cost is being repaid by student, faculty, and public users. Other buildings represent a combination of public and private funds: Pauley Pavilion, for example, received $2,000,000 from the state to cover academic uses, $1,000,000 from UCLA alumni, $1,000,000 from student funds, and $1,000,000 from Regent Edwin W. Pauley.

Another structure built with non-tax funds is the new $1,532,000 Track and Field Facility, a 12,500-seat stadium financed by student fees, except for the $100,000 for seating contributed by athletic event income.

UCLA's facilities have also been enhanced by private gifts in the academic fields. For example, UCLA's remarkable collection of ethnic art is based largely on the gift of 25,000-item Wellcome Collection, one of the world's finest. The Franklin D. Murphy Sculpture Garden contains 30 major sculptures by leading 20th Century artists, all gifts of friends of the University.

While physical expansion is the most obvious single facet of UCLA's growth, perhaps an even more significant development is the university's vigorous achievement in instruction and research, which has earned it a respected place among the leading academic institutions of the nation.

Academically, UCLA's ranking in the top dozen of American universities in graduate instruction was confirmed by the recent American Council on Education study, and the campus has been making rapid strides in related areas, such as its library resources (with its nearly 3,000,000 volumes, it ranks 11th in size among the nation's university libraries, and fourth in overall strength, according to the A.C.E. study).

DR. CHARLES E. YOUNG
UCLA Chancellor

UCLA's Chancellor is 38-year-old Dr. Charles Edward Young—youngest man ever to head one of the University of California's nine campuses. He took office on September 1, 1968, succeeding Dr. Franklin D. Murphy who became Chairman of the Board and Chief Executive Officer of the Times Mirror Company in Los Angeles.

Dr. Young served for eight years as Vice Chancellor of UCLA, handling administrative, budgetary and student problems. Known as "Chuck" to his many friends, he stands 6 feet 3 inches in height and weighs just over 200 pounds.

Dr. Young is UCLA's seventh chief executive, having been preceded by Dr. Ernest Carroll Moore (1919-36), Dr. Earle R. Hedrick (1937-42), Dr. Clarence A. Dykstra (1945-50), Dr. Raymond B. Allen (1952-59), Dr. Vern O. Knudsen (1959-60) and Dr. Murphy (1960-68).

UCLA's newest Chancellor was born in San Bernardino, Calif., on December 30, 1931, where he attended high school and junior college. During the Korean War he enlisted in the Air Force and attained the rank of sergeant as Personnel Service Supervisor—serving in California and Japan. Before going overseas, he married a college sweetheart, Sue Daugherty.

Returning to civilian life, he enrolled in the newly-established University of California, Riverside. During his senior year in 1955 he demonstrated his "take charge" qualities by becoming UC-Riverside's first student body president.

He then enrolled at UCLA where he studied for his M.A. (1957) and Ph.D. (1960) in political science—writing his doctoral dissertation on "Politics of Political Boundary Making." In 1958, he went to Washington, D.C., on a Congressional Fellowship.

In 1959, President Clark Kerr lured Dr. Young back to California with an offer to join his staff. For about a year he served as staff assistant to the academic team drawing up the Master Plan for Higher Education in California, worked on the University Growth Plan, and studied University decentralization. He also taught political science at Davis in the spring of 1960.

In the fall of 1960, after Franklin D. Murphy was appointed UCLA Chancellor, he chose as his assistant the young-man-on-the-go. In 1962, Dr. Young took a step on the administrative ladder to Assistant Chancellor, and in 1963 became Vice Chancellor. He holds an academic appointment as associate professor of political science at UCLA. His writing and teaching have been in American political theory and politics.

Dr. Young enjoys spectator sports. He was a high school football player and attends almost all UCLA football and basketball games.

DR. THOMAS L. JACOBS
Faculty Athletic Representative

Now in his second year as UCLA's Faculty Athletic Representative is Dr. Thomas L. Jacobs. He was appointed to this position by Chancellor Charles E. Young early in 1969 to succeed the late Dr. Bradford A. Booth. This is the second time that Dr. Jacobs has held this post, having served previously in 1961.

As the Chancellor's representative to the Pacific-8 and NCAA, Dr. Jacobs works with faculty representatives from the other member schools in determining all policy matters and approving all governing legislation at the conference and national levels, including eligibility of student athletes. Last year, he served as president of the Council of the Pacific-8 Athletic Conference.

Dr. Jacobs is a long-time spectator at UCLA athletic events.

As a teacher and scholar, Dr. Jacobs is an organic chemist who has done notable fundamental research on the mechanisms of organic reaction, particularly of acetylenic and allenic compounds. He has studied the polymerization of these compounds as well. He is interested in industrial organic chemistry and has been for a long time consultant to the 3-M Company.

During World War II, Dr. Jacobs was director of an anti-malaria program for the Office of Scientific Research and Development. He also has served for many years on UCLA Academic Senate committees and during 1967-68 was the chairman of the Senate. In addition, he has served as chairman of the UCLA and University Budget Committees and in 1965-66-67 was on the Budget Review Board of the University.

He took his Bachelor's degree at Cornell College in Iowa in 1930, and his Ph.D. in chemistry at Cornell University in N.Y. in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939.

When his teaching and research permit, Dr. Jacobs is an active golfer and enjoys camping, hiking, and angling. He is a member of the Sierra Club.

His own athletic career includes three years of football and two years of basketball at Forest City High School in Iowa and one year of football at Waldorf Junior College, also in Forest City.

Dr. Jacobs lives with his wife Ruth in West Los Angeles. They have a married daughter, Antoinette Kayser, herself a mother of two boys, who lives in Santa Barbara, and two sons, Richard, who graduated from UCLA last year, and William, now a senior at UC Davis.

J. D. MORGAN
Director of Athletics

J. D. Morgan is now in his eighth year as UCLA's athletic director, a position he has held with distinction since July 1, 1963. The Bruins' full 18-sport program has been most successful under his guidance.

During his eight-year tenure, as of June 22, 1970, the Bruins have won 11 NCAA team championships —in basketball (1964-65-67-68-69-70), in tennis (1965-70), in track 1966), in water polo (1969) and in volleyball (1970). And so UCLA holds the distinction of winning the first NCAA water polo and volleyball championships ever held. As we went to press, UCLA added the tennis title to become only the second school in history ever to win four NCAA championships in one school year.

This past 1969-70 year was highlighted, of course, by the Bruins' unprecedented sweep to a fourth straight NCAA basketball title, the sixth such coveted crown in the past seven years. And, for the second straight year, winning three Pacific-8 Conference titles on one May day (5/16/70) was most noteworthy. This year, it was in crew, tennis and track.

And J. D. is proud of the UCLA football program under coach Tommy Prothro, who has posted a solid five-year record of 35 wins, 13 losses and 3 ties against the toughest opponents in the country, including a UCLA "first," a Rose Bowl win over Michigan State on Jan. 1, 1966.

In addition, his tenure has been highlighted by the move of the Athletic Department into new and permanent quarters, the return of Bruin basketball to the campus in Pauley Pavilion, opening of a new boathouse for crew at Marina del Rey and the opening in 1969 of a new on-campus track stadium.

He has been at UCLA since 1946 employed in the positions of accountant, associate business manager, tennis coach and now athletic director.

Morgan's tennis coaching career, in which he turned out 16 straight winning seasons, was featured by no less than seven UCLA team championships (1952-53-54-56-60-61-65) and four national runner-up teams (1962-63-64-66). He coached eight NCAA singles or doubles champions, including Arthur Ashe, Ian Crookenden, Allen Fox, Larry Huebner, Ron Livingston, Larry Nagler, Charles Pasarell and Bob Perry. He retired from coaching following the 1966 season.

In 1966, J. D. was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies. He's currently a member of the NCAA Basketball Tournament Committee.

He was born in Newcastle, Okla., on March 3, 1919. He attended Cordell, Okla., High School where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He is married to the former Cynthia Gray Crane. They have a son, Kevin, 15, and a daughter, Pamela, 8.
